The pillows is made up of 2 square panels, a front and a back.

R3) 16 dc (2 dc in the same st = 1 inc)

R4) work 1 motif, 4 dc inc. for 4 times, close the round with 1 sl st (work in this way until R10, increasing the dc at the sides)

R5) work 4 rounds in dc always increasing at the sides and working the motive at corners. Cut the yarn. First panel worked.

Back panel:

Pick up the stitches normally, first on the top panel working 10 rounds without the motif which will be replaced by 3 dc. Cut the yarn, do the same process on the lower panel, cut the yarn.

Sew the right and left side with sl st, thus leaving the central opening where the pillow stuffing will be inserted.
