KNITTING INSTRUCTIONS

The cap is worked in the round using 1 ball of yarn, shaping a seamless cylinder with two open ends. After knitting the cap, close the two ends separately, using a darning needle, on RS. Pass the darning needle through the loop of each stitch, then pull the yarn tightly to draw the ends closed. After completing all steps, push one of the closed ends inside the other, aligning the closures. Wear it loose or fold up shaping a cuff as desired.
