SLEEVES: general indications: GET BACK THE SLEEVE SHIRTS

PUT the stitches you have put on hold on a small circular needle (short tips and 40 cm cable), then with a new thread also collect the increased stitches of the undersleeve, they are the same as previously mounted 2 per side. HIGHLIGHT 2 MP.

Continue in stockinette stitch in the round, then straight across, making the decreases OUTSIDE the stitch markers AS THIS WAY:

before MP make 1 overlapping stitch, after Mp make 2 stitches together knit, every 5/6 cm. until you have 36 (max 40 stitches) left to be able to make the PASS stitch pattern. THEN work in stockinette stitch for 42/44 cm.

THEN MOVE TO GREEK AND EDGE WITH THE ABOVE EXPLANATIONS.
