PROCEDURE

Worked back and forth.

With needles 4.5 mm and color green, cast on 50 sts 1 and work 4 rows in tubular st. Then work in 1/1 rib st for the next 8 cm decreasing 1 st during the first row to get to 50 sts.

Change to color black and work in bicolor festoons st.

At 17 cm from the beginning divide into 5 parts of 10 stitches each and knit them separately (keeping 1 SE at the beginning and at the end of each row): on RS decrease 1 st on both sides every 2 rows until all sts are decreased.

FINISHING

Sew the adjacent edges of the 5 parts together, then sew the side edges of the beanie together. Weave in all ends.
