SOME WORDS IN DOUBLE KNITTING

In this technique we knit with both yarns at the same time. One square in chart means 2 stitches: the first one is knitted and the second one is purled. The color of yarn who knit or purl is indicated in pattern, but both yarn has to be in the same side; for example: if you knit with color A also the color B is on knit side, if you purl both yarn are on purl side.

SPECIAL NOTES:

The cowl is knitted putting double the yarn. We suggest to use the center and outer thread of the same yarn ball, otherwise you have to use 4 different balls.

ABBREVIATIONS

K: Knit

P: Purl

DKdc: Decrease in Double Knitting

brK: Brioché Knit - also known as a bark = knit the stitch that will be slipped in the previous row together with its yarn over

brP: Brioché Purl - also known as a burp = purl the stitch that will be slipped in the previous row together with its yarn over

sllyo: Slip one yarn over.

BrLsl dec: 2-stitch decrease that slants to the left, involving 3 sts = slip the first stitch wise, knit the following two stitches together, pass the slipped stitch over.

MEASURES

PROCEDURE

Hat Border

With both colors (put double) and 4.50 mm point, loosely cast on 144 sts with two colors cast-on and prepare to knit in round.

Knit in Double Knitting in round, repeating three times the chart. Once knitted row 18 continue knit decrease row as follows:

1DK, 1DKdc, (2DK, 1DKdc), rep until 2 stitches remain, 1DK.

Hat body:

Change to point of 4.00 mm. Continue in Brioché Stitch as follows for 19 cm total (including border section)

Row 1 (col B): (1brK, sllyo) rep till the end.

Row 1 (col A): (sllyo, 1brP), rep till the end.

Repeat these 2 rows.

At 19 cm total, knit a decrease row as follows:

Row 1 (col B): 1brK, sllyo [brLsl, sllyo, (1brK, sllyo)x7 times] knit from [to] 5 times, brLsl, (1brK, sllyo)x6 times.

Ferro 1 (col A): (sl1yo, 1brP) repeat till the and of row

We now have 6 total decreases separate with 7 brioche ribs

Knit now entire row in simple brioche.

Repeat decrease row with simple brioche row, knitting decrees above the decrease in previous row.

For example the next decrees row will be knitted as follow:

Ferro 3 (col B): 1brK, sl1yo [brLsl, sl1yo, (1brK, sl1yo)**x6** times] knit from [to] 5 times, brLsl, (1brK, sl1yo)**x5** times.

Ferro 3 (col A): (sl1yo, 1brP) repeat till the and of row.

Knit 6 total section of decrease section and with another one simple brioche row.

Leave long tail of yarn and with wool needle insert yarn trough all stitches. Slip out needle a pull the yarn.

Weave in ends. Wash and dry flat.
