BERRIES YAK MINK COLLAR

DIFFICULTY =

Yarn: Merino Yak Laines du Nord yarn gr. 50 for the following colors 14-15-5 - Or Optional Yarn: Gr 50 cc Yarn Laines du Nord Mink color 9. **Circular needles:** nr 5 - 80 cm cable, 1 stitch marker (MP).

This neck is worked in the round with circular needle. The model does not have particular difficulties in making it, it is in fact a somewhat large tube, it only requires a little attention in the processing of the stitch with the double cast, in which multiples must be respected to return the staggered processing of the perforations.
