POINTS USED

Rib 1/1 (in back-and-forth r.)
1st r.: (k1, p1) rep. until the end of r.
2nd r. and next r.: work the sts. as they appear.

Rib in round
1st round and next rounds: (k1, p1) rep. until the end of round.

1 fur stitch: k1 but don't drop it, move yarn in front of work, wrap it around left thumb shaping one loop as you like, move yarn in back of work and knit again the st. on left needle, then drop it. Pass the second last st. of right needle over the last one.

Make 1 (front) (right) An increase: From the front lift loop between stitches with left needle, knit into back of loop.

Make 1 (back) (left) An increase: From the back, lift loop between stitches with left needle, knit it.

Binding off: work 2 sts., insert the point of left needle through first of 2 sts. on right needle, pass first st. over second one, * work next st. (on right needle there are 2 sts.), insert the point of left needle through first of these 2 sts., then pass first st. over second one *, rep. from * to * binding off as many times as necessary.
