ECO CROCHET FISHING HAT

DIFFICULTY =

YARN = ECO CROCHET by LAINES DU NORD, 1 ball each color: cream, orange.
CROCHET-HOOK = size 3.5 mm and 4 mm
OTHERS = darning needle, scissors, tape measure.

SKILL LEVEL: Easy

Work the hat top-down.

Everyone has their own way of working, so we recommend you make first 5 or 6 rounds to determine the right measures of the hat. If necessary, add or remove some stitches or rounds to fit your head circumference.

Color change: change the color at yarn over of sl st that close the round. For example, if you are working the closing sl st with orange yarn, insert the crochet-hook into 1st sc, cream yarn over the hook and pull it through orange loop, closing the sl st and shaping the cream loop to start new round.
