The number before the brackets refers to size S (in the picture), the numbers inside the brackets refer to sizes M-L-XL

Change of color: when you are working with 2 colors, using index of left hand, move (do not pull) the unused yarn on back of work, crossing it with other yarn (to keep it from making hole).

SAMPLE

10 x 10 cm = 23 sts. and 31 r. in stocking st. using size 4 mm needle. For right tension, you can change size of needles.

POINTS USED

Rib 1/1 in round: (k1, p1) across the entire r. and every next r.

Stocking stitch in round: always in knit stitch on RS.

k2tog (knit 2 stitches together): insert the right needle into next 2 sts. of left needle and knit them together.

Skp (slip, knit, pass): slip 1 stitch k-wise, knit next stitch, pass slipped stitch over knitted stitch.

S2kp-r (slip 2 tog., knit, pass slipped sts over À it shapes central rib): slip 2 sts. tog. k-wise on right needle, knit next stitch, pass 2 slipped sts. over knitted st.

Incr. (make one): using tip of the needle, lift horizontal yarn between 2 sts. and knit through back loop.

Bind off, loosely: slip 1st st. as it appears, work 1 st. as it appears, pass slipped st. over worked st., (work next st. as it appears, pass 1st st. over 2nd st. of right needle) rep. binding off stated number of sts.
