MEASURES

PROCEDURE

PATTERN

Cast-on 36 sts and work in stockinette st reaching 2 meters in length. Bind off all sts.

FINISHING

Weave in all ends.

Fringes: prepare each fringe, cutting 4 or 5 strands of yarn, 60 cm in length. Group them together and fold them in half. Insert the crochet hook into 1 edge stitch of the short side of the scarf, hook the folded midpoint of the yarn group and pull it through the base stitch shaping a loop. Pass the ends of the yarns through the loop, then pull and tighten the knot around the base stitch fixing the fringe. Join the other fringes along the short sides of the scarf, 3 or 4 cm apart. Using the scissors, trim the fringe evenly to the desired length.

Block to measurements using blocking needles and pins.

INSTRUCTIONS

3 balls for the scarf and 1 ball for the fringes.
