NOTES

The garment is worked in the round from the top down in one piece. Work seamlessly to the underarms, place sleeve sts on hold, and continue working the body in the round. Sleeves are worked separately around the armholes, and the collar is worked around the neckline.

Work all sections holding one strand of each yarn together as one (double strand).

SAMPLE

TENSION

10 x 10 cm = 15 sts and 20 r in stockinette st using size 5 mm knitting needles.

If your tension doesn't match, try a different needle size

POINTS USED

Stockinette stitch in the round: knit all rounds.

Joining to work in the round: Slip the first stitch from the left needle to the right needle purlwise. Pass the last cast-on stitch over the slipped stitch and off the needle to close the round. Pull the cast-on tail to tighten the join. Place a stitch marker to indicate the beginning of the round (BOR) and be sure to slip the marker at the end of each following round.

For armholes shaping, across the next round divide the sts.

Body

Continue working only the 60 front sts and the 60 back sts.

Rounds 48 to 90: knit. [120 sts]

After completing round 9, shape the **hem** as foll:

Round 1: using 4 mm crochet hook and yarn held double, loosely bind off all sts with sl st. Begin by inserting the hook into the first st on the needle, then into the next st and pull it through the st already on the hook to close the first sl st (insert the hook into the next st on the needle and pull it through the st on the crochet hook); rep until you have bound off all sts.

Round 2: bring the yarn to the WS of the work and crochet 1 round of sl st in front loop only into the previously worked sl st around the hem.

Cut the yarn and fasten off. Weave in all ends.

SLEEVES

Using 5 mm needle tips, 60 cm cable and yarn held double, place the 40 held sleeve sts back on the needle. Pick up and knit 6 sts from the underarm (3 on each side of the gap), place a BOR marker, and join to work in the round, making sure not to twist the work.

Rounds 1 to 44: knit [46 sts]

Rounds 45 to 88: knit and at the same time, increase 1 st after the first 3 sts and 1 st before the last 3 sts on the foll rounds: 45, 50, 55, 60,

Rounds 45 to 116 (except for rounds 93-97-105): knit with the current number of sts

Rounds 93-97-105: purl.

After working round 105, use 4 mm crochet hook and work the same **hem** as for the body.

Work the second sleeve as given for first one.
