We hereby declare that the Secretariado Uruguayo de la Lana , S.U.L. (Uruguayan Wool Secretariat) gives proof that " mulesing " is NOT being practiced by woolgrowers in Uruguay and is not justified, neither for climate nor sanitary reasons.

We can therefore certify that all the wools used in the production of the reference orders were " NON MULESED " wools of URUGUAY origin.

Furthermore, our organization is at your entire disposal to accompany anyone who wishes to visit sheep production systems in different areas of the country.
